- - JUST JACE - -

Biography

Jason Handscomb shines bright as a soloist! An accomplished electric & acoustic guitarist, Just Jace is no stranger when it comes to stealing the limelight. Taking over the stage as he weaves his musical magic, Just Jace is intuitive to the entertainment needs of any audience. His repertoire boasts an array of current hits and past classics. Just Jace makes every set a winner!! Whether it's rock, folk or pop – he'll have everyone toe tapping! Just Jace is also a master at requests.

He's able to play just about anything the crowd shouts out, giving songs that extra special Just Jace edge. He also plays as one half of duo Caffeine Crunch - perfect for those times you when you need that extra kick! A favourite for private functions, special events and all round entertainment, Just Jace is not too heavy, not too light – he's just right!!
