

KeyString

KeyString offers a broad spectrum of musical genres including: dance, easy listening, rock, funk, pop and ballads, making the duo suited to pubs, clubs, weddings, birthdays and corporate events.

KeyString operates as a full band sound or as a guitar and keys-based acoustic experience. A highly competent duo, KeyString enjoys their interactive experience with the audience. Their approach is high energy fun whilst being sensitive to the audiences needs.

KeyString offers male and female vocals with effective and interesting harmonies. KeyString also offers to its audience lead guitar, piano/keys and studio-quality backing tracks to ensure the musical experience is maximised for the listener wherever possible.

Mauro Bortolin

Mauro's experience in the music industry spans almost 20 years. In this time he has featured as lead guitarist for many popular bands and duos including:

- · Spruce Goose
- · Tezza & the Twistops
- · Leisure Noise
- · Sea Monkeys
- · Stereotypes
- · Spruce 2
- · Jumpstart
- · Some Finn So Strong (Crowded House tribute band)

Mauro's creative, instinctive and daring approach to lead guitar work sees him offer up new and exciting interpretations of various genres ranging from hard rock to easy listening, soul to funk and ballads to dance music making him a highly sought after artist both for live and studio work. As well as lead guitar, Mauro brings to KeyString lead and harmony vocals guaranteeing a complete musical sound every time.

Rebecca Lloyd

Rebecca studied classical singing at the Central Coast Conservatorium for two years achieving high results both years. Rebecca ranked in the top 10% of HSC students in NSW for her performances in music and continued her studies in both sound engineering and song-writing

Rebecca has featured in bands and duos of many different genres including jazz, blues, dance, easy listening and popular music over the last 10 years and has recently finished a year-long stint playing the Sydney circuit. Rebecca's warm vocals, gutsy performances and energetic interaction with the audience ensure a great show every time.
