## MURRAY

### Biography

Murray is a dynamic energetic artist who puts 110% into all his live performances. He is well known for his vast vocal range which allows him to cover most musical styles with ease and has an uncanny ability to sound like the artist he is covering at the time.

Hailing from a cover and original rock band background Murray has 17 years live experience under his belt, he has established himself as a sought after act who is always booked well in advance and is a favourite artist of many venues. As well as his solo performances Murray also plays in The Covers Brothers (Duo) with his real life brother Chris, And popular local covers band CyberCrystal. Murray's latest project is the highly successful concept band That 80's Show!
