SOUL STATION

Biography

Soul Station are an amazing blend of talents that are so diverse yet work together in total harmony to deliver a string of hits that guarantee to keep you dancing all night, on your way home and maybe even the next day. The show has developed a great act which features a carefully selected blend of hits from the 70's, 80's, 90's and naughties covering artists such as The Jackson 5, The Bee Gee's, Abba, Aretha Franklin and Fleetwood Mac as well as some of today's artists in Anastasia, Madison Avenue, Sophie Ellis Bexter and Kylie.

Soul Station features the multi award winning talents of Chrissi King (lead vocals) & Glen Tucker (backing vocals, lead guitar) which is complimented by a state of the art sound system, lightshow, disco lighting, mirror ball and smoke machine. Since its inception Soul Station have been in constant demand and have proven to be one of the top acts in the country so if you're here for a good time.... Come & do it with Soul Station!
