

Girls With Guitars

Song List

500 miles	Lay down sally
Bad case	Loaded
Be my baby	Love will keep us together
Before you accuse me	Maxine
Black Horse	Maggie may
Black is black	No woman no cry
Blister in the sun	Rehab
Brass in pocket	River deep
Burning love	Saw her standing there
Can't get you outta my head	Sex on fire
Every breath you take	She bangs
Hands to yourself	She's in love with you
It's all over now baby blue	She's my baby
I feel good	Single bed
It's so easy	Son of a preacher man
Lady marmalade	Stuck in the middle with you
Sweet child of mine	Walk like an Egyptian
Take a chance	Walking
Takin care of business	Walking in Memphis
Tush	Won't go home without you
Up around the bend	Yesterday's hero
Walk in the room	Plus many more.....
